## Goal #1

### Goal

Increase math proficiency rate on SAGE, PLAN and ACT.

## Academic Areas

- Mathematics

## Measurements

**This is the measurement identified in the plan to determine if the goal was reached.**

ACT, PLAN and SAGE math results. ACT current data shows 18.6, SAGE data is still not available, and PLAN data shows 17.1.

**Please show the before and after measurements and how academic performance was improved.**

Math 1 increased from 26% to 32%  
Math 2 increased from 25% to 38%  
Math 3 increased from 27% to 31%

ACT Math decreased to 18.5.

Our goal was partially met.

# Action Plan Steps

---

**This is the Action Plan Steps identified in the plan to reach the goal.**

The school will adopt everyday math instruction for all Freshmen and Sophomore students. We have previously been on an every other day block for math instruction. To accomplish this goal we will be hiring a math intern with Trustlands funds.

**Please explain how the action plan was implemented to reach this goal.**

We met our goal of everyday math instruction with our 9th and 10th grade students.

## Expenditures

## Academic Areas

- Reading
- Mathematics
- Writing
- Technology
- Science
- Fine Arts
- Social Studies
- Foreign Language

---

## Measurements

**This is the measurement identified in the plan to determine if the goal was reached.**

Access to advanced learner study hall labs for students with Concurrent and AP courses. We currently do not have any advanced learner study halls. Participation rate in Sterling Scholar program. We currently have students represented in each of the Sterling Scholar categories.

**Please show the before and after measurements and how academic performance was improved.**

We were able to assist over 100 student enrollment requests in our advanced learner study hall courses. We were able to fill all of our Sterling Scholar categories and provided an aide to support them in the development of their programs.

---

# Action Plan Steps

**This is the Action Plan Steps identified in the plan to reach the goal.**

Purchase a Chromebook Lab for advanced learner study hall. Provide an aide to support the students interested in completing the portfolio for Sterling Scholar competition. ACT Prep with certified teachers.

**Please explain how the action plan was implemented to reach this goal.**

A Chromebook lab was used in our advanced learner study halls. Mrs. Curtis was our aide that provided support to the students. ACT Prep was held but on a limited basis.

**Expenditures**

Category	Description	Estimated Cost	Actual Cost	Actual Use

**Goal #3**

**Goal**

Maintain failure rate at no greater than 5%.

**Academic Areas**

- Reading
- Mathematics
- Writing
- Technology
- Science
- Fine Arts
- Social Studies
- Health
- Foreign Language

**Measurements**

**This is the measurement identified in the plan to determine if the goal was reached.**

We will use current and future Failure rates. The current failure rate is at 5% of all grades issued.

**Please show the before and after measurements and how academic performance was improved.**

School-wide failure rate for the year dropped to 4%.

**Action Plan Steps**

**This is the Action Plan Steps identified in the plan to reach the goal.**

We will employ a Student Success Specialist. The specialist will provide a lab setting for students that need additional support due to either: A) Failing Grades; or B) overlapping schedules caused by CVHS going to a 5X5 Block Schedule and the SWATC maintaining a 4X4 schedule. The specialist will track failing grades to look for patterns and work with those students. We will also purchase plagiarism software and writing software to assist with essay development.

**Please explain how the action plan was implemented to reach this goal.**

We purchased Turnitin software to assist with plagiarism and writing.

Our student success specialist worked with students individually as well as coordinating with teachers. She was able to assist the school in lowering the failure rate to 4%.

**Expenditures**

Category	Description	Estimated Cost	Actual Cost	Actual Use
Salaries and Employee Benefits (100 and 200)	Student Success Specialist	\$11,000	\$10,200	As described

**Explanation for Amendment:**

With the increased allocation of funds this year we have elected to send a team of teachers to a Professional Learning Communities Conference in Salt Lake City. This conference will be a tremendous benefit to the students as we work to reduce our failure rate through greater collaboration among our staff and establishing PLCs to benefit students. The Community Council has allocated \$13000 for the PLC conference to address our Plan Goal #3.
