

March 8, 2018

Dear CVHS Community:

As many of you know, every year the graduating class presents a gift to the school as a thank you for the last four years. Every year, the gift is intended to be a way for that class to leave their mark and serve as a reminder of that class's hard work and school spirit. This year we intend to build a bell tower. The bell will be provided by a previous senior gift given to CVHS by the class of 2004. This gift (the bell tower) is expected to cost more than previous years' projects considering it will require help from multiple trades and services. As a result we have had to consider multiple ways to fundraise. One such way is by selling a space on each brick where your name can be inscribed, immortalizing you at CVHS. Each brick is 8"x16". The color of the brick will match the color of the school. As the bricks are fairly large, we have decided to have the option of buying a whole brick or just a half. A whole brick will be \$250 and a half brick will be \$150.

This is a great opportunity to show support for our school. This is a once in a lifetime opportunity to literally leave your mark on this school in the most positive way possible. Each donation will contribute to the realization of this ambitious venture. We hope that you will take all of this into consideration in making your decision on your involvement in this project.

If you would like to order a section of brick or you have any questions or concerns on this matter, please contact our senior class president, Mallori Melling, at (435) 531-0634 or at [melling.mallori@gmail.com](mailto:melling.mallori@gmail.com). Please address any checks to Canyon View High School, all monetary exchanges will be handled through Shelly Goodwin at the business office. We look forward to any future involvement you may have with our school. Thank you for your time and consideration.

Sincerely,

The 2018 Senior Class Presidency
