Welcome to the 2020-21 School Year at CVHS!

I would like to welcome each of you Canyon View High School for the upcoming school year. We look forward to an exciting and successful year. We especially want to welcome the Class of 2024 to Canyon View and look forward to four great years with you. CVHS is a fantastic school with amazing traditions, students, faculty, and extended school community.

We do know that this year will be challenging and unique. Per Governor Herbert's order, we will all have to wear face coverings that cover the mouth and nose. We also recommend bringing an individual water bottle, as water fountains will be inaccessible. As the situation with regards to pandemic evolves, we will provide updates through the CVHS webpage and Remind. To help us work through the challenges, each CVHS student will be assigned a Chromebook for school and home for the year.

We continue to look for ways to communicate effectively with parents, students and the community. We will be using the Remind platform to send messages and emergency alerts. As always, please make sure that you have set up your Power School parent account to check on your student(s). If you don't have a Power School or Remind account or can't remember how to access it, please contact the front office for information. Information on accessing Power School and Remind is found at <https://cvhs.ironk12.org/>

We would like to make you aware of some additions to our staff. We are pleased to welcome the following staff: Joshua Barton (English); Genenieve Draper (English/Social Science); Kaylee Green (SpEd); Kaya Houskeeper (Soc. Science); Shannon Johnson (Math); Amyanne Rigby (English); Randy Seely (Art); and Alissa Stevens (Math). We look forward to fantastic contributions over the coming years from this excellent group of educators.

Please join the PTSA. They are a tremendous asset to the students and staff at CVHS! Forms will be available in the office.

Students schedules became available in May. If students need a copy of their schedules, the most accessible way is to log into their PowerSchool accounts and print one. We will have a copy of student schedules available on the first day of school. Counselors will begin taking appointments on July 28th. To make an appointment, e-mail your counselor directly or call Camille Topham, 586-2813. You

must have an appointment to meet with a counselor. Class changes have already taken place. If there is a need for a schedule change due to an error on the part of CVHS, that can be accommodated by appointment by the counselors beginning the first week of August. Schedule changes for any reason other than an error in graduation progress or the wrong level of a class (such as Math 2 instead of Math 3) require a \$15 class change fee and only occur if there is room in the new class. You may now view schedules in PowerSchool. The PowerSchool address is <http://ps.irondistrict.org>. **Schedule changes will only be allowed for significant reasons.**

Student Registration is the annual process of students and parents signing required forms and paying fees for the year. The forms include— Computer Responsible Use Policy, Safe Schools, Anti-Bullying, Fee Waivers, etc. Due to COVID-19 concerns, PLEASE complete the required forms Online—Sign into parent and student Power School accounts and electronically sign the forms.

There are required school and course fees. The enclosed fee schedule has detailed payment information, and information regarding fee waivers. Please use your class schedule with the enclosed fee schedule to calculate the fees you need to pay. Pay online through the web page <https://cvhs.ironk12.org/>

Office staff will be available beginning August 3rd from 9:00-3:00.

Freshman Orientation at CVHS (Parents may also attend) face coverings that cover the mouth and nose are required.
