

Attention Graduates and Parents

Here is some information about the CVHS graduation ceremony, and some critical information for the graduates about the process.

The ceremony will be at SUU in the America First Event Center at 5 pm on Wednesday, May 25th. **Graduates need to arrive at 4:30 to line up.** There are no assigned seats or limits on the number of guests per students. The ceremony will be live streamed for those who prefer to participate from home—www.suu.edu/sutvlive. We are excited to be able to be back in the America First Events Center, and thankful to SUU for hosting us.

Parker Grimes, a professional photographer, will be taking a picture of each graduate as they come through the CV on stage. Parents and students will be able to get that picture from pagrimes.com at no cost. No parents will be allowed to be on the floor or to take pictures on the stage during the ceremony. The CV will be set up at the Bell Tower in front of the school from 11-6 pm on May 24th for graduates to get pictures if they choose.

Graduates

You must be at SUU's America First Center by 9:30 am for graduation practice on May 25th. If you are not at practice, you will not be walking in the graduation ceremony that afternoon. Be sure that you have completed your check out on Tuesday, May 24th, or you will not be able to participate.

With the exception of Native American ceremonial regalia authorized in HB 30, you **cannot** decorate the tops of your caps, anyone who does will have to leave their cap with one of the faculty and pick it up after the ceremony.

We will collect your gowns from you after the graduation ceremony when you come to pick up your diploma. You cannot get your diploma if you do not turn in a gown. Please be sure that you get all your pictures taken before you come to get your diploma. Return gowns and pick up diplomas in the **main tunnel area behind the stage** right after the ceremony.
